

## NON-DISCLOSURE AGREEMENT

This NDA is entered into between ZenWave Labs ("Party A") and Horizon Analytics ("Party B").

### 1. Confidentiality

Party B agrees not to disclose any information provided by Party A. Party A has no corresponding obligations toward information provided by Party B.

### 2. Use of Information

Party B may use Party A's information for purposes related to the partnership. No restrictions are placed on Party A's use of B's information.

### 3. Confidential Information

The parties agree that information exchanged may be confidential, but no definition is provided.

### 4. Term

This Agreement has no expiration date.

### 5. Miscellaneous

No remedies are defined for unauthorized disclosure. No exceptions (public info, required disclosure, etc.) are included.
