

SERVICE AGREEMENT

This Service Agreement ("Agreement") is made between BrightWave LLC ("Client") and NovaPixel Solutions ("Contractor").

1. Scope of Work

Contractor will provide web development services for the Client's internal management platform. The exact features will be defined jointly as the project progresses.

2. Payment

Client agrees to pay Contractor a total project fee of \$50,000, payable "upon satisfactory progress." No specific dates, milestones, or payment schedule are defined.

3. Responsibilities

Contractor will deliver code and documentation. Client will provide the necessary access to systems.

4. Intellectual Property

All code created under this Agreement shall remain "shared property" between Contractor and Client, unless otherwise agreed in writing.

5. Liability

Contractor shall be liable for any and all damages that result from delays or defects in the final deliverables.

6. Confidentiality

Both parties agree to keep project-related information confidential.

No termination clause is provided.

No governing law or jurisdiction is identified.
